Forward-looking Statements

Except for historical information, all of the statements, expectations and assumptions contained in this news release are forward-looking statements that involve a number of risks and uncertainties, including statements regarding expected benefits of products and product features. Although Blackbaud attempts to be accurate in making these forward-looking statements, it is possible that future circumstances might differ from the assumptions on which such statements are based. In addition, other important factors that could cause results to differ materially include the following: general economic risks; uncertainty regarding increased business and renewals from existing customers; continued success in sales growth; management of integration of acquired companies and other risks associated with acquisitions; risks associated with successful implementation of multiple integrated software products; the ability to attract and retain key personnel; risks associated with management of growth; lengthy sales and implementation cycles; technological changes that make our products and services less competitive; and the other risk factors set forth from time to time in the SEC filings for Blackbaud, copies of which are available free of charge at the SEC's website at www.sec.gov or upon request from Blackbaud's investor relations department. All Blackbaud product names appearing herein are trademarks or registered trademarks of Blackbaud, Inc.
