

Blackbaud Named to TIME America's Best Companies of 2026

July 21, 2026

Recognition Highlights Company's Strong Employee Experience and Continued Commitment to Powering Social Impact

CHARLESTON, S.C., July 21, 2026 /PRNewswire/ -- Blackbaud (NASDAQ: BLKB), the world's leading provider of AI-powered solutions for social impact, has been named to [TIME America's Best Companies of 2026](#). The recognition reflects Blackbaud's ongoing commitment to fostering a purpose-driven culture, delivering innovative AI-driven technology, and creating meaningful impact for its customers, employees and communities.

"Blackbaud is driven by a powerful purpose to equip the people and organizations who change the world, delivering against our commitments with AI tools that help unleash the best results," said Margaret "Maggie" Driscoll, chief people and culture officer, Blackbaud. "Being recognized on TIME's list of America's Best Companies is a testament to our employees and the passion they bring to their work every day to support our social impact customers around the globe. We're proud to foster a culture that prioritizes wellbeing, flexibility and connection, empowering our teams to do their best work while making a difference."

To identify the top-performing companies in the U.S., TIME partnered with Statista to evaluate and rank the most prominent firms in the country based on employee satisfaction, financial performance, and sustainability transparency. Both public companies and private companies that report their financial and sustainability data were considered. The top 1,000 companies were named to America's Best Companies of 2026.

Blackbaud continues to prioritize a people-first culture and a remote-flexible workforce approach designed to support employee wellbeing and productivity. Internally, Blackbaud is equipping employees with the latest AI tools and education to fundamentally transform what's possible for the company and its ability to deliver stronger outcomes for customers. Blackbaud is building the [trusted AI engine for social impact](#) to help organizations achieve more for their missions, and making sure the sector as a whole is able to adopt AI effectively and responsibly by convening the [AI Coalition for Social Impact](#).

This latest recognition adds to Blackbaud's growing list of accolades highlighting its leadership in workplace culture, sustainability and AI-first innovation.
