Performance Stock Appreciation Right	\$22.24							(9)	11/06/2019	Common Stock	86,358	86,358	D	

Explanation of Responses:

1. On February 14, 2013, the Compensation Committee determined that these performance-based restricted stock units ("PRSUs") vested based on the Issuer achieving financial performance goals for the period ending December 31, 2012, the final measurement period for PRSUs granted in 2010.
2. This acquisition represents the number of shares rolled over from prior measurement periods for PRSUs granted in 2010, which vested based on the Issuer achieving financial performance goals for the period ending December 31, 2012.
3. Represents shares forfeited to the Issuer in connection with the satisfaction of tax liabilities incurred upon the vesting of PRSUs.
4. Represents a stock appreciation right which vested in four equal annual installments beginning on November 6, 2008 and shall be settled in stock at time of exercise.
5. Represents a stock appreciation right which vested in four equal installments beginning on November 7, 2009, subject to continued employment, and shall be settled in stock at time of exercise.
6. Represents a stock appreciation right which vests in four equal annual installments beginning on November 10, 2010, subject to continued employment, and shall be settled in stock at time of exercise.
7. Represents a stock appreciation right which vests in four equal annual installments beginning on November 8, 2011, subject to continued employment, and shall be settled in stock at time of exercise.
8. Represents a stock appreciation right which vests in four equal annual installments beginning on November 10, 2012, subject to continued employment, and shall be settled in stock at time of exercise.
9. For full text of this footnote 9, see Remarks.

Remarks:

(Text to footnote 9) Represents a performance stock appreciation right ("PSAR") which will vest if the Issuer has maintained a 25% increase in its stock price over \$22.24 for any 30 consecutive days prior to the expiration date of the PSAR (the "Performance Metric"), such vesting to occur in four equal annual installments beginning on November 6, 2013, if the Issuer meets the Performance Metric prior to such date. If the Issuer meets the Performance Metric between November 6, 2013 and November 6, 2014, 25% of the PSAR shall vest upon the Issuer meeting the Performance Metric and the remaining 75% shall vest in three equal annual installments beginning on November 6, 2014. If the Issuer meets the Performance Metric between November 6, 2014 and November 6, 2015, 50% of the PSAR shall vest upon the Issuer meeting the Performance Metric and the remaining 50% shall vest in two equal annual installments beginning on November 6, 2015. If the Issuer meets the Performance Metric between November 6, 2015 and November 6, 2016, 75% of the PSAR shall vest upon the Issuer meeting the Performance Metric and the remaining 25% shall vest on November 6, 2016. If the Issuer meets the Performance Metric after November 6, 2016, but prior to the expiration date of the PSAR, then 100% of the PSAR shall vest upon the Issuer meeting the Performance Metric. In all cases, PSARs shall only vest subject to continued employment and shall be settled in stock at the time of exercise.
